

All That's Dance & More · Studio Policies 2021-2022

Attendance

Attendance is taken at the start of each class and recognition is given at the end of the season for perfect attendance. **Classes cannot be "made-up" for this award.** You must attend all of your regularly scheduled classes to receive this award. Good attendance is imperative, as absences and tardiness can hold back an entire class, and the studio cannot jeopardize its responsibilities to the rest of the class for one student. Please make every effort to have your child ready at every class. Please call if you will be absent. Thank You.

Class Observation

COVID-19 UPDATE: Until further notice, our viewing rooms will be closed. This is to help prevent the spread of COVID-19.

Parents can observe at any time from the waiting area. This practice is in the best interest of the child, and the child's well-being and behavior in class should be kept in mind.

Low Enrolment

Classes with low enrolment will be cancelled and combined with another class of the same level and discipline. This may also involve one class moving to a different day. Proper notice will be provided to make accommodations if the condensing of the class doesn't work for your personal schedule.

Student Transfer

We are carefully monitoring and watching all of our dancers in the month of September. We want to make sure that the class they're in is where they will succeed the most. Students may be assessed to be a better fit in a different class or level, which will be determined by the teacher and Miss Allysha. We want our dancers to have fun and succeed in the best ways they can!

Schedule

All schedules formulated in the fall are tentative and are subject to change upon demand. All updates can be found on our website, or you can email info@allthatsdance.ca for our most recent schedule.

Progress Reports

Each child will receive a progress report in the spring, highlighting their personal developments and dance achievements. We are so proud of how hard all of our dancers work and we can't help but want to share it.

Inclement Weather/Snow Days

The studio will not necessarily close for snow days, regardless if area schools are closed, since many times the roads are clear and safe by 2:30pm. If in doubt, call 705-739-6676 for a recording on whether classes will be held or not. If classes are cancelled they will **not** be made up at a later date.

Recital

Our year-end recital is tentatively booked for the end of May. Please see our List of Important Dates for the exact information.

Injury

All That's Dance & More will not be held responsible for any personal injury.

Peanut & Scent Allergies

We have students with **SEVERE PEANUT & NUT ALLERGIES**. Please be sure that if you are going to send your child to the dance studio with a snack that does not include possible traces of peanuts. Please also note that some of our staff and students have **SEVERE SCENT ALLERGIES**. Please be sure to keep the studio scent-free, for the safety of all those who enter the studio.
