How rapidly the summer has gone by. I hope you all took time off to enjoy it! I would like to welcome everyone to another exciting season of dance. I am extremely excited to get started after several weeks of non-stop summer dance camp fun!

We are all going to have so much fun again this year!

**PLEASE CONTINUE TO CHECK OUR WEBSITE FOR UPDATES ON COVID-19**

## STUDIO SPACE

We take pride in keeping a **clean, organized** and **SAFE** environment for your children's dance education. This however requires the help of all of our members (parents & dancers). We ask that when **you & your dancer** enter the front doors of the studio, you **kindly remove your shoes or boots**, and neatly place them within the shoe rack located in the front entrance. Please help us out by reminding your dancer of this when you drop them off. This will help keep the entrance clean & safe. This applies to the office area as well.

Also, we would kindly request that dancers be sent to the studio with water instead of other beverages like pop or juice that stain the carpets when spilt. All other food and beverages must remain outside of the studios.

In addition, if your dancer owns a Zucca bag or Rac n' Roll, please have them carry it from the car into the studio as the wheels track in a lot of dirt. Also remind them to be careful with their bag around the freshly painted walls.

Finally, we ask that you please keep a close eye on your little ones around the large All That's Dance Logo in the entrance. We have done our best to try to restore it.

We are doing our best to keep our studio looking neat & clean for everyone to enjoy.

Thank you in advance for helping out.

## POLICIES

1. Children not attending class must be supervised by an adult at all times.
2. We also ask that the noise in the viewing room be kept down to a minimum as to not distract your dancer who is in class learning & having fun. **\*\*COVID-19 UPDATE: Viewing Rooms closed until further notice\*\***
3. Parents must wait until a student is properly screened for COVID-19 before leaving their dancer at the studio.
4. Please remember to park in the designated spaces, the turnaround is simply for dropping off and we would ask that you not park there to wait for your child.

Tag us in your AMAZING dance moments!!

Please also note that some of our staff and students have **SEVERE SCENT ALLERGIES**. Please be sure to keep the studio scent-free, for the safety of all those who enter the studio.

## ATTENDANCE

Attendance is taken in each class and recognition is handed out at the end of the season for **perfect attendance**. Classes cannot be "made up" for this award. You must attend all of your regularly scheduled classes to receive this award. **Good attendance is imperative**, as tardiness can hold back an entire class and the studio cannot jeopardize its responsibilities to the rest of the class for one student. Please make every effort to ensure you have your child ready at every class. **Please call/email if you will be absent**. Thank You.

## PROPER HAIR, SHOES & ATTIRE

Proper hair, shoes and attire are required for ALL of our classes. Please look at our General Shoes & Attire list to see exactly what you need for your classes for the fall.

There is no excess jewelry, chewing gum or outdoor shoes allowed in the studios.

## ITEMS FOR SALE – THE BULLETIN BOARD

Please do not hesitate to post your used shoes for sale on the bulletin board in the entrance. We all know our children grow too fast!

## SEPTEMBER CLASSES WITH LOW ENROLMENT

Please note that classes with low enrollment may be combined with other classes within the same discipline and levels. This may also involve one class moving to a different day. Proper notice will be provided to make accommodations if the condensing of the class doesn't work for your personal schedule.
